

Road Safety

With the many road works around the school, we have been reminding students of safe practices when crossing roads and moving around our school. Unfortunately we still have had some students who are not using the blister crossing and are approaching intersections on bikes and scooters at speed. It has been great to see the increased number of students safely riding bikes, scooters and even walking to school and as we approach the Christmas holidays I would like to remind parents to go over road safety with your children.

Aurora College

It has been a pleasure to be working closely with Aurora College this semester. Two of our students have been selected in the Year 5 Aurora Opportunity Class Pilot that started this term and will run throughout 2019. It is a wonderful opportunity to extend our high achieving students in what has previously only been available through the selective high schools process going into Year 7. Hopefully this opportunity class will continue into the future to provide some of our gifted and talented students with more opportunities while still being based at our school.

Presentation Day

Our Presentation day is being held on Wednesday, 12 December starting at 10am. The ceremony should take approximately 90 minutes and we welcome our parents and citizens to stay afterwards for a short morning tea as a thank you for all the wonderful support we receive throughout the year.

STEM Linkages with Narooma HS

Last Wednesday Year 5 and 6 classes attended Narooma High School as a part of the linkages program between the high school and their partnership schools. Our students participated in robotics and coding activities run by Mrs Allison and Mr Reilly. Our students were very engaged and thoroughly enjoyed the day. These opportunities are being provided to support and strengthen the transition for our students as they move from primary school to high school.

Stage 3 - Spheros

This term, Stage 3 students have been working on programming Spheros. They have had the opportunity to work with the latest version of Spheros and Sphero minis and they code using the app 'Sphero Edu' on the iPads. Students had to design mazes and code their Spheros through the mazes. Year 5 students also had the opportunity to play ten pin bowling with the Spheros. The skills displayed by the students has been very impressive.

PBL WINNERS

Congratulations to our PBL award winners last week. Elodie, Zoe K-S and Natalia were our lucky prize winners.

Today we had a visit from the Lions Club who kindly donated new books for our library.

Kids Market Stalls Available \$10 per stall

If you would like to have a stall at the Bermagui School Fair, please complete an application form available at the school office to reserve your spot. Sell something clever you have created, grown or grown out of!

BOOK STALL

The P&C Book Stall will be part of the School Fair again this year. This is a great chance for you to pass on all those books that you no longer want. There may be some children's books that have been outgrown, or some novels that were much enjoyed that need to be shared with another avid book lover... Any donations of good quality books can be left at the Canteen on Wednesday or Friday mornings.

Spring Fair Volunteer Request

Please help us to create a fantastic day for our kids and town by helping out for half an hour or more. There are only a small number of P&C members and we cannot possibly run the fair without your help. Parents, Grandparents, Carers, older siblings and any local Bermagui adults welcome.
