

I was extremely proud of the Year 5 students who expressed their interest and presented themselves to the rest of the school to be Ministers in 2019. It was great to see so many students doing such a great job throughout this process. It is such a great learning experience and I know how proud families and staff are of these students. Congratulations to the students elected into the 2019 Ministry. This Ministry will be announced at tomorrow's Presentation Day ceremony.

Yesterday, Year 9 drama students from Narooma High School presented their play 'I Wanna Be' to our Stage 2 and 3 students. The performance was a pantomime style look at career options that challenge stereotyping. Year 9 students demonstrated some impressive acting skills and treated us to some live music performances. We were thoroughly entertained and it certainly inspired our children to consider all possibilities and that they can achieve anything that they set their mind to. Thank you Narooma High School.

We are really looking forward to the Spring Fair coming up this Saturday and hopefully the weather is kind to us this time. It is the P&C's major fundraiser for the year and we really appreciate the amazing job our hard working parents and citizens do to make this a success. Remember that the Spring Fair is from 10am to 2pm and make sure we are all being respectful to the school's neighbours throughout this time.

Year 6 students last week attended their future high schools as a part of the state-wide orientation day activities. It was great to hear their positive reflections on the day and how they are feeling about next year. In saying that, I would like to remind parents and students that the Year 6 Farewell is being held on Thursday evening. Year 6 and staff are heading out to dinner followed by some dancing and games back at school, where Year 5 students will be joining in. Just a reminder for Year 6 students to meet at Octopii at 6pm and for our Year 5 students to meet us at the school hall at 7pm.

Our Presentation Day is being held **TOMORROW** Wednesday, 12 December starting at 10am. The ceremony should take approximately 90 minutes and we welcome our parents and citizens to stay afterwards for a short morning tea as a thank you for all the wonderful support we receive throughout the year. Students will receive, from their teachers, their Semester 2 reports on Wednesday afternoon. If you have any questions relating to your child's report, please make a time to meet with their teacher.

The final school day for students this year is Wednesday, 19 December. Staff will be involved in professional learning on Thursday, 19 December and those that have completed professional learning in lieu of Friday will finish on Thursday. It is very important that if you have any enquiries or need to contact teachers that you do so before next Wednesday.
