

THE BREEZE

Congratulations to all of our students, staff, parents and community members on what has been a very busy and productive 2018. This was showcased at our Presentation Day ceremony last Wednesday in which I was extremely proud of all our students. Our Year 6 students looked great and were fantastic during their farewell on Thursday night. I know that the staff members really enjoyed one of their last events with our departing students.

I would like to wish Mrs Anderson and her family well as she embarks on a new adventure down at Pambula. She was successful through the merit selection process and will now become permanent with the Department of Education. Mrs Anderson has been wonderful throughout 2018 here at Bermagui PS and had a positive impact on our students. Congratulations and good luck.

Although our Spring Fair was cancelled last weekend, I would like to thank our P&C for all their hard work in preparing for the event. The weather just got the better of us this year but we look forward to the event happening smoothly next year. It has been great working with such a supportive P&C throughout 2018.

Our school has commenced planning for 2019. If you will be moving away from Bermagui at the end of this year and your child will not be attending Bermagui PS at the beginning of 2019, could you please advise the school office in writing or please see me as soon as possible, as these numbers will have a significant impact on the formation of classes. I will endeavour to communicate the number of classes and any 2019 planning as soon as possible after we return from the holiday break, as only then can we accurately evaluate what changes have also occurred over this period.

Staff will commence work on Tuesday, 29 January. Staff will participate in planning and other professional learning on this day as we begin our 2019 journey.

The Year 1 to Year 6 students, will return to school in 2019 on Wednesday, 30 January. If your child is not returning to school on this day can you please advise us of their start date as soon as possible to assist with planning and making the start to 2019 as smooth as possible.

Kindergarten students will be having their Best Start meetings during week 1, then starting as a class in week 2. All students will receive their meeting time in the mail over the holiday period.

Finally, I would like to thank our whole school community for a wonderful year and would like to wish you all a Merry Christmas and a happy new year. Be safe, have fun and see you next year.

Brendan Constable - Principal

HONOUR CARDS

2 CARDS Sophie V-T

1 CARD Asha, Sunny

PBL WINNERS

Congratulations to our PBL award winners last week. Luke and Sierra P (absent) were our lucky prize winners.
