The Intensive Swimming Program has begun. This two week program focuses on Year 2 students and Years 3-6 non swimmers. It does mean there is some disruption to normal routines.

This week sees the last K-Year 2 assembly for the year and in order for us to surprise on Presentation Day, we ask families to leave the school grounds before the morning assembly, starting next week.

We have updated our website page to include the uniform order page. You may find the site slow at times. This is out of our control.

There are two areas we need your further support:

Firstly head lice are around in schools. Please check your child's hair once a week and treat appropriately.

Secondly, we need to know if you are not intending to stay at Bermagui School next year. All schools are staffed and funded on numbers so it is very important that we have up to date records.

Mrs Pearson commented to me how much the pre-schoolers enjoyed their visits to our school. We look forward to meeting Kindergarten next year.
