Thomas Robson, Heidi Osgood, Mathew Everson, Regina Nicholls
Raymond Campbell, Campbell Moresi
Lex Norman, Tyler Franks, Tara Naylor, Curtis Jack, Lily Wilson-Starr

2012 CANTEEN SURVEY RESULTS

Thank you to all the families that took part in our canteen survey recently. The results showed that most people use the canteen as a treat for their child/ren and that overall they are satisfied with the food provided. This is great to hear. There were a number of good suggestions and the ones that were suggested by more than one family were:

- **including sushi on the menu** which Vanessa has now implemented and **bringing back home made sausage rolls**. This great suggestion needs parental help to implement. We require volunteers to come to the canteen for regular cook ups. If you are available to help, please let Vanessa know your availability (days and times) and we can work out the timing.

- **remove all items with salt, fat or sugar, eg marshmallows, icy poles, chips, banana pops, junk food, processed food etc**. This suggestion is very valid in that we all want our children to eat healthily. While promoting healthy eating is a high priority for our P&C, we also realise the importance of providing different options in our canteen. These options include a balance of 'every day food' and 'sometimes food' that families can choose to buy on canteen days.

- **add more fresh food, eg school garden vegies, seasonal fruit and organic produce**. We are doing our very best to ensure that all of these suggestions are happening whilst sourcing local produce and staying within our budget.

All of your comments and suggestions were discussed and taken on board. If your specific suggestion hasn't been answered here, feel free to give Lynda a call on 0428634373 to discuss further. Also, if you have any specific allergy

concerns, feel free to speak to Vanessa to see what foods are appropriate for your child/ren.

Thank you for taking part in our survey, your feedback is appreciated.

SPRING FAIR

The final amount raised from the Spring Fair this year is \$6,264. This fantastic amount is only possible because of the wonderful support from many sources. The P&C would like to thank the people who donated books, cakes, Tombala and toy stall items; our local businesses who donated items for the tombala, donated or reduced costs on items we needed to run the stalls, and donated cash; Mr Rutherford for setting up the flat with tables, chairs and tents and for organising such a fun dunking machine; the teachers who volunteered their time to organise and help run stalls and supported the Tombala effort in their classrooms; Mrs Sherwin-Ozawa for organising the Art show; the office staff who do a fantastic job of organising the ticket purchases; the students both past and present who also helped set up and operate stalls; the parents, grandparents and carers that volunteered to run the stalls; the market stall holders that make the day that much more interesting for everyone; and of course all the families and community members that came to the fair and spent their money! We will keep you posted on what the money raised will be spent on.

CANTEEN MANAGER POSITION

Congratulations to Lisa McKenna who will once again be our Canteen Manager. Lisa will start in the New Year and we look forward to having her back on board. Thank you once more to Vanessa for doing such a good job in her time as Canteen Manager.
Your P&C Committee

Successful Enthusiastic Attitude Loves Learning

Our SEAL of Approval this week goes to Antek Francki from Year 4. Antek is a successful learner due to great effort and attitude. Antek makes great choices in the playground. Congratulations to Antek's family and Mr Constable, his teacher.

LIBRARY

To all our keen borrowers, due to our Annual Stocktake, we require all books on loan to be returned to the Library by Friday, 7 December. There will be no further borrowing from the Library this year.

Thank you.

Mrs Caves

RED DAY EXPLANATION

Each term we can sell "occasional" or "red food" items on two occasions per term. It doesn't refer to wearing red for the day. The NSW Healthy School Canteen Strategy defines Red or Occasional foods as—foods that are high in saturated fat and/or added sugar and/or salt or can contribute excess energy (kj).
