YEAR 6 CROSSING EXCURSION

We were fortunate to have such beautiful weather for our 4 hour hike to 'The Crossing' and 3 hour canoe paddle back.

Reports indicate a worthwhile experience which included planting trees, learning about recycling, growing food and the importance of mangroves, team work and cooperation.

Bermagui Primary School Spring Fair

22/11/2014

Dear Families,

In order to successfully run our Spring Fair we need **a lot** of help to supervise the stalls. It takes over **80 hours** of labour to supervise the stalls alone (this does not include set up and pack up). P&C members usually volunteer 6 hours each, but as there are so few of us, we ask parents and extended family to assist. We are asking each family to assist by volunteering to set up or supervise a stall for an hour. We appreciate this is difficult to do when you have children with you. Perhaps you can share the load with a friend by minding each other's children to allow you time to assist. Grandparents are welcome to help out on stalls if they are available. When selecting your time slot, please be mindful that the gymnastics' display is scheduled for 11.00am.

Please return the slip/s below to your child's class teacher.

We will confirm your time and stall prior to the fair.

Thank you for your support and we look forward to a fabulous day.
