Many thanks to those parents and friends who participated in our Community Consultation last Wednesday. It was wonderful to have the opportunity to discuss plans for our school with so many of you, and to receive your feedback on our current and future initiatives. There were some wonderful ideas and suggestions shared too which will all be considered in the next step of our planning. Consultative decision making is an important process in our school planning and evaluation cycle and we look forward to sharing some of our revised plans at our next P & C Meeting on Wednesday, 2 December 2015. Our classes have been working hard to complete some very impressive artworks that will be for sale by auction at the spring fair. Have a look at the Auction Item sheet and don't forget to place your bid on the clipboards with each artwork throughout the day!

LIBRARY NEWS

Thank you to everyone who has supported the Library this year. We held a very successful Book Fair in Term 3. A huge thank you to Peta Shaw who has single headedly covered the books purchased at the Book Fair. We have also updated to a new software system in the Library. This system is much easier to use and it allows students & teachers to check and reserve books online. Thanks to Cathy Stark and Natalie Willoughby for all their help with the implementation. The end of the year is fast approaching and all outstanding Library books are due back during weeks 9 & 10: We like to check and repair books in readiness for the new school year. Regardless of how overdue your book is, we welcome it back to the Library without penalty.

Star of the Week
Caring & Considerate

Jarvis Malin from Kindergarten is being recognised as a quiet achiever who is friendly & responsible. Congratulations Jarvis & family. Jarvis and his friend Barra visited Miss Martin and were excited to talk about all the fun and exciting things they love about being in Kindergarten. They were keen to show how they could tell the time and both love reading. Jarvis thinks the best thing about our school is playing with his mates in our beautiful playground and around the big tree. He is really looking forward to becoming an archaeologist so he can see if there are any T-Rex bones in Bermagui. I can't wait to hear all about the results in the future! Keep it up Jarvis!
