Wow! What an amazing day we had at our Spring Fair on Saturday. It was brilliant to see so many past, present and future students and their families enjoying the rides, stalls, games delicious food and entertainment in our beautiful school grounds. I would like to say a HUGE thank you to our hard working P & C Association and all of the parents, grandparents and friends who so generously gave their time to make the day such a huge success. Many of the helpers on the day were working hard from 7am until 3pm without a break and we are so very fortunate too have such a dedicated school community who all work so well together to provide great opportunities for our kids.

This week's P & C Meeting has been postponed until next week and further details will be provided.

Thank you to Four Winds and Lara Crew for the great musical opportunity afforded to us through our Wetlands song project. Our students have been working hard with a range of professional musicians to perfect this song for performance at next week's Presentation day and we can't wait for you to hear the results!

AMBULANCE VISIT

Year 1 Frogs would like to say a HUGE thank you to Renee and Heath from NSW Ambulance who came to school for a visit. Thank you so much for the teddy bears and keeping our community safe.

PARLIAMENT

Parliaments most recent Bill to introduce a class or school pet raised quite a discussion. After a close decision the majority were for the Bill, which has since been passed onto the Senate.

Star of the Week
Caring & Considerate

Ella Hemstead from 3/4 Bidhu / Mountain was this weeks Star of the Week. Ella and her friend Gracie visited Miss Martin and both agreed that the very best part of coming to school was spending time with all of the lovely kids here at Bermi PS and I have to agree! Although she hasn't been at our school for very long, Ella has settled in beautifully and has already made some great friends. She loves doing gymnastics after school and in the playground and would like to combine gymnastics and singing as a career when she is older. She also enjoys all kinds of sport and would like to be a sport teacher or maybe even a gymnastics coach! Keep up your fantastic, positive attitude, Ella!

Spring Fair 2015

What a great day! The weather was not too hot and not too windy so we could settle in and enjoy. We had fun rides, great face painting, balloon sculpting, displays, stalls, delicious food and a Mini Sideshow Alley. Thank you everyone for coming and enjoying so much to do and see!

This sort of event takes a lot of organizing and a lot of help from so many people so I would like to give a huge thank you to everyone involved and especially the following:

All the parents and grandparents who put their name down on the roster to help out; the parents and grandparents who stepped in on the day when they could see we needed a hand; Fran Trenerry for being the official photographer; Miss Martin and all the Bermagui Staff that helped before, during and/or after the day; Steve and his Year 5/6 helpers who set up and packed up everything; the parents that donated cakes and eggs; Bermagui Mascot Hire for donating Olaf and the Minion; the stall holders that make the day interesting and refreshing for everyone; Bermagui Volunteer Fire Fighters for their display; Ros and her gymnasts for an amazing display; and of course all of you who came and spent the day (spent on food, spent on rides, spent on tombola, spent on auctions . . . !)

The following list of businesses donated items for the tombola, raffles and auction. Thanks to their generosity we raised \$4,000 just on those events. So a big thank you to the following:
