

On Tuesday afternoon, we will be holding a Community Consultation session in the old hall from 2.45-6.00pm. This session is a great opportunity for you to share your thoughts on what we as a school already do, and share your ideas for making our school an even better place to learn and grow. The session will involve parents giving feedback on different activities and projects in a casual setting. Staff will be available to discuss your thoughts and ideas but it is not a meeting and there is no need to speak in front of a crowd. We hope to ensure that everyone feels comfortable in this welcoming environment and look forward to seeing as many of you there as possible. There will be a sausage sizzle, and kids will be supervised in the Library.

We are working very hard to support positive behaviour on the school buses to and from school. It is really important that students are responsible and respectful at all times on the school bus, as the driver's job is to safely transport children and the driver shouldn't be distracted by students doing the wrong thing. It would be very helpful if all parents could please talk to their children about the importance of safe and appropriate behaviour on the bus as well. Students whose behaviour does not meet the expectations will be suspended from catching the bus by the bus companies. Please be aware that if you have any concerns about the buses to or from school, you should talk to the bus companies in the first instance. Please call Les Symons on 64934871 or Bega Valley Coaches for the Cobargo bus on 6492 5188.

Requia from Year 2 is recognised as being a diligent, hard working student, who always works to a high standard. Requia bought her cousin, Beau for morning tea. We had fun reminiscing about how Mrs Caves taught their parents or older siblings! Beau thinks Requia is so funny, helpful and plays safe. Requia says she loves school because its fun to work, especially Maths. She would love to be an artist when she grows up.
