

What a brilliant day we had on Saturday for our P & C Spring Fair! An enormous THANK YOU to our hardworking P & C volunteers who have been working tirelessly for months to make the day so successful. It was wonderful to see so many families and community members enjoying the day! Congratulations to those families who secured one of the class artworks in the auction. I am sure they will look stunning hanging in your homes. Thank you to the staff for supporting classes to create these artworks and thank you also to the staff and many parent volunteers who generously gave up their time to help out on the day at all of the various stalls. A special thank you to Steve for all of his work with setting up and packing up everything!

I am really looking forward to hearing your suggestions, feedback and ideas at this afternoon's Community Consultation Session from 2.45-6.00pm. There will be PBL info sessions at 2.45pm and 5.00pm, a free sausage sizzle and supervision provided for kids. I hope to see you there!

Wandandian from Year 5 is again our Star of the Week! Wandandian was awarded the Octopus as she displays kindness, responsibility, strength, resilience, effort, attendance, courage and joy!

Wandandian bought her friend Charlotte for morning tea. Charlotte believes Wandandian is a trustworthy friend, she is fun to mess around with and have jokes.

Wandandian has just participated in the 'Grow the Music' program at Wallaga Lake. She would love to learn drumming, write songs, sing and dance.

P&C NEWS

Spring Fair

Another fun event over for the year. I hope you all made some great memories, whether it was the amazing gymnasts, the scary new zorb ball ride, a delicious lunch, a wet sponge thrown at you or by you, or a great tombola win... there were so many things to do and enjoy. I hope everyone also had a chance to check out our local emergency service providers with the Volunteer Fire Brigade, the SES and the Marine Rescue all on hand. A big thanks to all our volunteers who helped out on the day, I keep saying it but it is so true... WE CAN'T DO IT WITHOUT YOU AND YOU ARE GREATLY APPRECIATED!! Thanks also to all the businesses and families who helped out with donating items for the BBQ, cake stall, book stall and the tombola. It was a great fun filled day and we also raised about \$7,000 to go towards projects around the school. (Come along to the community consultation afternoon today to contribute your ideas on how funds such as these should be spent.)

As a heads up for next year, your current P&C are overwhelmed with the work involved in putting on these events and need more help if you want to keep enjoying such fun activities. The old saying is just too true "many hands make light work". Please consider that when the time comes.

Canteen

Beth is also struggling with getting enough volunteers so her current helpers aren't overloaded. She desperately needs more helpers. If you order from the canteen, please put your name down for one or two days a term – OUR CANTEEN NEEDS YOU!!!

Second Hand Uniform Pool

We are out of polo shirts at the moment (both sky and white) so if you have any that your children have grown out of, we would greatly appreciate you sending them into the school.

CAN YOU HELP IN THE CANTEEN?

Volunteer to work in the canteen

Volunteers are asked to join our roster once or twice a month. It depends how many volunteers we can get. The more volunteers the less time on the roster.
10am – 12noon.
