

THE BREEZE

34.2017

14 November 2017

It was wonderful to have the opportunity to go on The Crossing excursion with the Year 6 students from 5/6G last week. It was an exceptional day kayaking on the beautiful Bermagui River to The Crossing, spending the night there and walking back to school through the bushland. We are truly fortunate to have such a fantastic facility in our local area!

A reminder as the weather warms up that all students need to have a hat at school every day to play outside in the sun. Students who do not have a hat will need to stay in the shade. This is particularly important for Year 5 and 6 students who walk to the Country Club for sport. Unfortunately those students without a hat will not be able to attend sport. Please support your child by making sure that they have school bucket hat each day. New hats are available from the office at any time for \$7.

We are really looking forward to our Colour Me Happy Challenge coming up next Friday 24 November. A huge thank you to our P & C volunteers who are working tirelessly behind the scenes to get everything ready for what is shaping up to be a fantastic day. Thank you to those families who have already returned their permission slips. Although the correct date (24 November) was published on all of the flyers and information notes, there was one error on the permission slip which indicated the date of the Colour Me Happy Challenge as 17 November. I sincerely apologise for this error and any confusion this may have caused. If you are happy for your child to participate on 24 November, please simply return the note. If you have already returned the permission slip and no longer wish for your child to participate on 24 November, please let us know by writing a note to your child's teacher.
