

THE BREEZE

36.2017

28 November 2017

A huge thank you to our amazing P & C volunteers for making our Colour Me Happy Challenge on Friday such a huge success. It was wonderful to see all of our students with such positive attitudes working together and you know its been a good day when the staff and parents have had even more fun than the kids! We are so lucky to have such hardworking parent volunteers who put in so much time and effort to create fun and memorable events for us. Thank you!!

Yesterday we practiced an evacuation drill during lunchtime. We are so proud of the sensible and responsible way that our students assembled in the evacuation area quickly and calmly. Completing drills allows us to rehearse what we would do in a real emergency and judging by the way that our whole school was assembled in under 3 minutes, we are confident that we all know what to do to stay safe.

The last day of Term 4 for students is Friday, 15 December and we have plenty of fantastic school events coming up between now and then. At the end of Term 4, there are two staff development days allocated for professional learning for teachers on Monday 18 and Tuesday 19 December. As we did last year, our teaching staff have already completed the equivalent time (4 half days) of professional learning to allow us to make the most of this time throughout the year. We have completed 3.5 hours of CPR, Emergency Care & Anaphylaxis training; Two 3.5 hour sessions of a course called 'Managing Potential and Actual Aggression' and one 3.5 hour session around developing our 2018 – 2020 school plan. By taking advantage of training and learning time throughout the year, our staff have maximised these opportunities in a way that would not be possible in the final week of the year. This means that our school will not be open on Monday 18 or Tuesday, 19 December. If you have any enquiries or need to speak to a staff member before the end of this year, please be sure to do so by Friday 15 December.

Leah Martin - Principal

Matilda from 1/2S is our special student this week. Matilda has a wonderful attitude to school life. Her manners are exemplary and she is always kind and helpful. Matilda will have fun with her sister Isabella as they have adventures with the Kookaburra and think up amazing jokes for Friday. Congratulations to Matilda's family.
